LEGAL

Please enjoy using Equal & Opposite's Paper Tooth Line Brush set however you see fit, but under no circumstances may you, or anyone else, distribute the action (or files associated with it) in any form without the express written consent of **Grey Jay at Equal & Opposite.**

You may not claim these brushes as your own, or resell them, even if modified; however feel free to use them in any of your commercial projects. If you happen to like using them, feel **give a shout out to Grey via the social network of your choice**, or even better, go to the **Equal & Opposite freebie page and hit that donate button to help another starving designer pay his rent.**

Use at your own risk. Neither Grey, nor Equal & Opposite take any responsibility for how you use these brushes.

INSTALLATION

To install Equal & Opposite's Paper Tooth Line Brushes in Adobe Illustrator...

- Go to the "Brushes" palette;

- In the drop down menu: "Open Brush Library";

- Select: "Other Library...";

- Navigate to where you have saved the EqualAndOpposite-PaperToothBrushes.ai file and open.

USAGE

To use, simply apply the brush stroke of your choice to any object. Each of the four brushes come with their own naturally unique characteristics at 1, 2, 3, and 5 point weights. Increase the stroke weight manually for a more dramatic effect.
